

A New, Joyfully, Catholic, Classical High School is coming to Charleston!

You are cordially invited on Saturday, September 21, 2024, at 7:00PM, to join in the Launch Celebration of the Chesterton Academy of St. Finbar ([CASF](#)). The event will be held at the Diocese of Charleston offices in the St. Finbar (Assembly) Hall, situated next to the Chapel of the Holy Family located at 901 Orange Grove Road, Charleston, SC 29407.

In this evening of exploration and information, we will share details about our school and its Fall 2025 opening, highlighting our Vision, the strength of the Chesterton Schools Network, and the guiding principles that show why *now* truly is the time to bring this joyfully Catholic and Classical high school to Charleston.

As such a critical piece of our parish community, ensuring our parishes work and run smoothly, we would love for you to join us and to gain a better understanding of how CASF may be a great fit for some of your parishioners.

American education has seen swift moral and intellectual declines, made especially evident in the COVID years, but a renaissance is growing in Catholic education that we are proud to be part of. Come see what we can do together!

Appetizers and Wine/Beer will be served. Babes in arms only, please.

St. Finbar - Pray for us!
