Guide our public officials to defend each and every human life through just laws. Inspire us all to bring our faith into public life, to speak for those who have no voice. We ask this in the name of your Son, Jesus Christ, who is Love and Mercy itself. Amen.”

- An exciting new opportunity is being studied for a new Catholic junior and senior high school to serve Berkeley and Dorchester counties. The diocese, assisted by a local Steering Committee of pastors, Catholic elementary principals, and lay leaders, have engaged the services of the professional consulting firm, Meitler to lead the new school feasibility study. At this time the Steering Committee is inviting you to participate in a market research survey for families to test the level of interest in a new Catholic school and its enrollment potential. Your participation is essential for the success of the study and your individual responses will be confidential. The survey will be available online until May 2nd. The survey link/QR code can be found on our website and Facebook page. Please respond even if you do not plan to enroll your children at the new school.

Please check the bulletin or our website for more information.
