

## 2024 Pastor's Easter message

May the message of Easter inspire you to face every challenge with grace, knowing that **every setback is just a setup** for a grander comeback.

My heartfelt gratitude to the Deacons, staff members, religious ed teachers, finance and pastoral council members, choir directors and singers, ministers at the altar, grounds keepers, flower and tenders of the Altar, Knights of Columbus, members of both ladies guilds and all those who graciously give their time and talents to our churches. As your Pastor, I am so grateful for all of you, and your dedication. You make my role here so much easier. There are too many names to list and I wouldn't want to miss even one of you! So no matter the task, if you do even the smallest of things, you are appreciated. It is obvious you all love your church and shine in the light of Risen Christ. Praise the Lord!

Christ is Risen! Alleluia.

Father Marreddy Allam
